Letter No.3192, dated 19th December 1906, from the Secretary to Government, Muzrai Department, to the Deputy Commissioner, Kadur District.

"

During my inspection of the Muzrai institutions at Kalasa, I found that there were two Ammanavaru temples attached to the Sri Kalaseswaraswamy temple of which one was called the Sarvanga Sundari Ammanavaru temple situated within the premises of the former and the other which is called Girijamba temple situated near the Travellers' Bungalow. It seems that the Utsavaru of the latter temple which was made of gold was stolen sometime back and that the cost thereof to the extent of about Rs.1800/- was recovered from all the temple servants and credited to the Treasury. The people represented that a new Utsava Vigraha was very necessary as it has to be taken in procession to the Kalaseswaraswami --- temple during the Girija Kalyana every year. I am to request that you will be good enough to submit a detailed report on the subject together with an estimate for a preparation of a new Vigraha which need not be of gold.

2. The Amildar pointed out the necessity of having a separate kitchen in this temple. He was asked to submit an estimate for the same. I am to request that you will also expedite the submission of the same. "
